Honorable Commissioner of  
Patents and Trademarks  
Washington, D.C. 20231

Dear Sir:

The filing receipt for this application has been received, but it is in error. A corrected filing receipt is therefore requested.

Although the inventor has been properly identified, his address has not been properly identified. The address should be Harlow, Essex, United Kingdom. What the U.S. Patent and Trademark Office has identified as "OAR" is part of the postal code of the address of the inventor.

A corrected filing receipt is therefore requested, properly identifying the correct address for the inventor.

March 31, 1999

Respectfully submitted,

William M. Lee, Jr.
